

# 3 WAY FAUCETS

3-way faucets offer hot and cold faucet water and treated osmosis water in a single faucet.

They include two independent mixer faucets, one for hot and cold water and another for treated water, with independent internal conduits to prevent mixing between waters.

## 3-WAY FOLDING SERIES CHROME and BLACK

More position options to suit any kitchen and need.

- Chrome body, Zinc handle
- The water circulation and outlet pipe coming from the osmosis system does not come into contact with any metal part of the faucet. The water maintains its maximum purity.
